Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Createspace Mind Game Description This book is meant to be unlike any other golf instruction book out on the market today! Mind Game is written from the unique point of view of a golf professional who has not only spent forty-six years playing at all levels of the sport, from the P.G.A. Tour to the Philadelphia P.G.A. Section, but who has also taught the game for thirty-two years to over nineteen thousand individual golfers and at over five hundred clinics and camps. Some well-known teachers have taught the game of golf, but they themselves have never competed on a high level. Some players have played the tour but have never really been teachers. This book has been written from both perspectives. It presents educational information that will help golfers at all levels to maximize their opportunity to become better players. Most importantly, a teacher has to consider each student as an individual. It all begins with and depends on the identity of the student. How can they be helped to identify who they are as a golfer? For this reason, Mind Game will neither describe the so called perfect positions in the golf swing nor compare your swing to that of Ernie Els or Fred Couples. Understanding how to improve the mechanics of the swing is only a small part or percentage of how to improve a player s game. On the other hand, what it does present is a multitude of unique insights and secrets into how to play better golf, the single-most mentally-challenging sport in the world. The goal is to get inside the players brain and share many aspects and situations that will allow them...
