But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is...
