

In Search of Maya Sea Traders (Hardback)

By Heather McKillop

Texas A M University Press, United States, 2005. Hardback. Book Condition: New. 241 x 163 mm. Language: English . Brand New Book. Stone temples rising above the rainforest canopy and elaborate hieroglyphs carved onto stone monuments give silent testimony to the high culture of the Maya ancestors of the indigenous peoples of Central America. They have inspired generations of archaeologists, professional and avocational, to take to the field in search of the past. One such archaeologist is Heather McKillop, who in 1979 first visited the coast of Belize in search of a little-known aspect of ancient Maya life: the sea trade that helped move salt, obsidian, coral, and other goods around the interior of the empire. In 1982, she began bringing volunteers and students to the islands off the coast of Port Honduras, Belize. Since then she has returned many times to excavate sites that reveal the scope and diversity of the trade that passed by water throughout the Maya world. In this book, McKillop tells the story of the search for the Maya sea traders, as well as the story of the traders themselves as it emerges from the excavations. In Search of Maya Sea Traders describes the trading....
