Not illustrated. 1903 Excerpt: . of his kind are treated. There he is given a bath and put to bed and the regular course of treatment begins. A member of the attending staff of physicians and a senior and junior interne are detailed to the care of each patient immediately on the latter s entrance. To insure prompt attention a system has been established for notifying, by mail and telephone, doctors of the attending staff, of the cases to which they have been assigned, and each physician is required to sign a record, kept in the Warden s office, as an acknowledgment that he has been duly notified and has taken charge of the case. the chemical and microscopic examinations pertaining to clinical diagnosis. Each junior resident physician spends the greater part of every forenoon in the laboratory in routine examination of sputum, stomach contents and excreta of patients belonging...

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
