

Drawing Room Practice (Classic Reprint) (Paperback)

By Frank A Stanley

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from Drawing Room Practice This book deals with the making of drawings, from the simplest constructions to complete assembly and working drawings of various classes. It is based upon experience gained in a number of the leading drawing offices and machine shops of this country and Europe and in class work in connection with the instruction of students, machinists and toolmakers interested in mechanical drawing. It has been the observation of the author that young draftsmen and even many shop men of years of experience often find it difficult to visualize a piece of work yet to be completed in wood or metal, and in instructing such men in mechanical drawing it has been found desirable to put before them either a casting or forging representing the object to be drawn; or, where this is not feasible, as is ordinarily the case, to use photographic views which show to the eye the appearance of the work as it is to be when finished. The satisfactory results obtained under this method have led to the gathering of a...
