### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Shearsman Books, United Kingdom, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The series of poems in Maxine Chernoff s Without are elegiac brushstrokes, each somewhat feathery and brushing in more than one direction, which creates tension and unexpected arrivals as well as departures: someone or something is missing. Parts of the world are wavering and parts have disappeared. What remains is treated in the subtle management of the lines without a hint of punctuation, which allows for waves of attention, as meaning rises and subsides. The emotional impact is powerful, as are the recognitions, such as when darkness loses / its waiting mirror / and tuning forks / stand in for solace and readers asleep / mouthing their dreams / fears of whispering / become a creed / until life blurs / like any lens /that fails at attention. There s a sense of meaning passing with the solidity and darkness of time.
