John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, No More Consultants: We Know More Than We Think, Chris Collison, Geoff Parcell, We have all smiled at the apocryphal tale of the consultant who borrows your watch to tell you the time, and then walks off with your watch! Deep down, we all know that there is an element of truth in the story. If we only recognised and released the capabilities which we had on the inside, our organisations could be so much more efficient, effective and purposeful with the money they spend on consultants. No More Consultants provides readers with everything they needed to tap into those capabilities. Using the tools and techniques in this book, readers will be able to drill deep inside their organizations to realise the value of their existing knowledge. Employees will feel valued and listened-to, and investment on consultants can be reduced or redirected to the places where there is a genuine need to build new capability. The book is rich with real-life examples of application. At its core is the self-assessment process which has been applied to a variety of issues, including: supply chain management, business improvement, learning and development, operational excellence, knowledge management, and the worldwide response to AIDS. By applying the innovative 'River Diagram' to the results of the self assessment, you can clearly map-out where the strengths and weaknesses in your organisations lie, and where there is scope for sharing. This map will help you plot the course of your improvement strategy. No More Consultants contains several practical techniques designed to close the gap between the lowest and highest performers, saving your business time and money. Illustrated using an exciting collection of stories and examples: including BP, Oracle, United Nations, the NHS and Nationwide Building Society "You...
