iUniverse, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.What you are about to read is radical. In a paper I once wrote on Prayer, my Seminary Professor gave me a C minus, adding: This flies in the face of all established thought! which I took as a compliment, contradicting the grade. From the time we were children, people showed us pictures of gods and prophets. By kindergarten we were singing and reciting holy verses. It was no deliberate attempt on anyone's part to deceive, only to help us grow in the faith. For the Bible tells me so. Please think seriously about that. Though innocent, weren't they really conditioning us into believing what we now believe? In short, somewhere back in time, some other writer invented the God you worship.
