Excerpt from Lectures and Essays, Vol. 2 of 2 This is the organ of Young Ireland, and of a portion of the physical-force party. Still, though it hints at republicanism, it does not openly avow it. It professes loyalty to the imperial crown, but disowns the right of the imperial legislature to make laws for Ireland. The real purport of its views is, not simply repeal of the Union, but the absolute nullity of the Union. Meagher is its leading genius. The Nation was not strong enough for Mitchell, or Mitchell was too strong for The Nation, and so he set up The United Irishman. The United Irishman carries the doctrine of resistance out in its most logical consistency, and to its utmost consequences. It spits upon repeal, it cries for independence; it calls not only for a national parliament, but for national sovereignty. It laughs at the golden link of the crown, and holds no terms with O Connell, to whom this phrase, we believe, is attributed. It scouts Victoria, and mocks Conciliation Hall with as much scorn as it does conciliation. It demands a republic at any cost, and with fierce earnestness it preaches the gospel of the pike. It tells the starving masses of Ireland that they cannot be worse off, and that, with courageous hearts and a strong right hand, they have the power to be better off. It goes even beyond a mere republic. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
