Storey Books, United States, 2013. Paperback. Book Condition: New. 206 x 127 mm. Language: English . Brand New Book. Ease Your Mind And Indulge Your Dog! If you want your dog to feel safe and secure in your home, it's time to crate train! A crate is designed as much for a dog's well-being as it is for the owner's convenience and peace of mind. For example, a crate keeps a curious puppy away from chemicals under the kitchen sink, gives a sick or convalescing dog a quiet place to rest, and secures a rambunctious dog during car trips. Crate training works because dogs, like their wild ancestors, desire a snug quot;denquot; that affords security and privacy. When dogs are crate trained properly, they accept and even enjoy their sequestered time. Pat Storer shows you how to maintain a positive, loving attitude while being firm and consistent with your dog. With Storer's advice on choosing the right crate, step-by-step instructions, and tips for dealing with crate-related behavior problems, both you and your dog will find crate training to be a simple, successful experience.
