This companion volume is based on the instructional approach found in Volume 1. This second volume spotlights student examples, using these 7 easy steps, in writing narrative essays, essays explaining stories, and a persuasive essay. The students who wrote these essays experienced success in writing. Struggling students? They were! Looking forward in their continued success? They are! Celebrate each step of the way? We did! This instructional approach enables them, and many others, to feel positive as they make progress in developing their writing skills. Along with gaining confidence, students find renewed excitement in learning. With these 7 easy steps the words, I can t write turns into Yes, I can! This simplified way of writing can help all students in all educational settings.
