Here are some of the unexpected stories of history s great mapmakers: the fraud artists who deliberately distorted maps for political gain, Captain Cook, the slaves on the run who found their way thanks to specially-pieced quilts, the woman who mapped London s streets, princes, doctors, and warriors. These are the people who helped us chart our way in the world, under the sea, and on to the stars. With reproductions of some of the most important maps in history, this extraordinary book, packed with information, is as fascinating and suspenseful as a novel. From the Hardcover edition.
