Southerners, Too?: Essays on the Black South, 1733-1990 (Hardback)

By Alton Hornsby

University Press of America, United States, 2004. Hardback. Book Condition: New. 222 x 176 mm. Language: English . Brand New Book. *Southerners, Too?* challenges the view that southern heritage refers to white southerners only by revealing that, historically and culturally, African-Americans have been integral to southern life and history. In much of the public and scholarly debates on the display of the Confederate flag, southern heritage has been seen in the context of the white south. Although there are some published works on the black southerner, in the debate and in some of the literature, African-Americans are either invisible or appear in an ambivalent manner. The intent of this work is to encourage a new focus on the Black South.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
