Watkins Publishing. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.5in. x 5.3in. x 0.9in. According to futurist and sociologist, Kingsley L. Dennis, humanity is entering a momentous phase in its history. Being born today is a generation of children that will radically reinvent human society, moving our culture from competition, control, and censorship toward connection, communication, and compassion. The Phoenix Generations impact will begin to be felt in 2030, but there much to do to prepare for their arrival. The book is divided into three parts. Part one briefly describes the thorny issues (e. g. global warming, nationalism, and food and water shortages) that the solution-oriented ways of the Phoenix will resolve. Dennis posits that the generations of adults living today are the bridge to the Phoenix and he shows how such developments as the worldwide web and the explosion of mobile technologies are paving the way for them. Part two describes the changes in our own consciousness being brought about by technology and what we need to do to speed their arrival. Part three gives details how the Phoenix generation will be different from us. The Phoenix Generation will work toward forming a planetary society a transition more radical than the shift from agrarian to urban life during the Industrial Revolution. These children are being born with increased instinctive intelligence and with a greater degree of inherited wisdom. With them, the quantum revolution begun 100 years ago will become mainstream. This will bring about a shift away from external dependencies (e. g. our dependency on higher education for career advancement). This normalizing of new perspectives, cosmic awareness, and of multi-dimensional realities will usher in a great wave of change. The Phoenix Generation is a deeply positive examination of our collective future. This item ships from multiple locations. Your book may...
