

Anatomy, Physiology, Disease: An Interactive Journey for Health Professions (Mixed media product)

Filesize: 3.2 MB

Reviews

It is one of the best ebook. It really is filled with knowledge and wisdom I realized this publication from my dad and I advised this publication to understand.
(Raina Lockman)

ANATOMY, PHYSIOLOGY, DISEASE: AN INTERACTIVE JOURNEY FOR HEALTH PROFESSIONS (MIXED MEDIA PRODUCT)

DOWNLOAD

Pearson Education (US), United States, 2012. Mixed media product. Book Condition: New. 2nd Revised edition. 272 x 214 mm. Language: English . Brand New Book. This engaging, conversational book introduces all the anatomy, physiology, and pathology concepts that students must master to succeed in the health professions. ANATOMY, PHYSIOLOGY, DISEASE: AN INTERACTIVE JOURNEY FOR HEALTH PROFESSIONS, 2/e is designed to promote true understanding, not mere memorization, and to help students make the lasting connections they need to thrive as practitioners. Throughout, well-placed Pathology Connections sections tightly link AP concepts to pathologic processes. Analogies help students compare the human body to objects and processes they already understand, and illustrations and visual features support the visual learning style many of them prefer. This edition adds new web-based animations, videos, and interactive exercises to its fully integrated website. It also offers an easier-to-navigate text design; enriched illustrations and new photographs; and a new chapter on biochemistry.
