Should we take up arms against our enemies? Is there any excuse for voting Tory? The Assassination of Hilary Mantel examines these serious and pressing issues, through the reactionary mind of a loyal political party supporter. A clash of ideas is ready to spill over to violence. Respected figures and talking heads of the press draw battle lines against the insidious rise of leftism. From where will a hero come? A radical to stand up for what is on the right? In her satirical short story, Murial Carvolth explores hypocrisy at the heart of the establishment.
