*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Grace is something positive we receive that we do not deserve. God has granted us his grace and he has mercy on us. The Lord promises us eternal life. God s amazing grace and mercy is extended to all humans living on planet earth. The Lord loves us and wants the best for us. Satan promises us eternal separation from the Lord who wants to have a relationship with us. Satan has an abundance of merchandise, which he sells to the world. He is a liar and a deceiver and desires the destruction of the human race. The author seeks to expose some of the lies that Satan is spreading and unmasking him. The devil is not our friend, he is our enemy. We are living in the last days of earth s history, and the world is getting more violent and evil each day. Jesus is coming back soon, to get Redeemed, and we need to be ready when he returns. There is no secret rapture and a second chance to get your life right with the Lord as taught by the left behind doctrine. This is a dangerous teaching coming straight from the pits of Satan s evil heart. We cannot play with our soul salvation, and find out when it s too late that we are lost. There is no second chance to get your life right with the Lord when comes back to earth. This is an urgent message for the times in which we live. We cannot play with our soul salvation, and find out when it s too late that we are lost.
