Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Minnesota Brief Sketches of Its History, Resources and Opportunities If the hills and valleys of our state could answer to our questioning; if the sighing of its pine forests were a language; if its thousands of limpid lakes, flashing back the brightness of the sun, could reflect the scenes that have been mirrored in them; if its boundless prairies could repeat the story of their transformation from the roaming-ground of herds of bison into waving seas of grain; if the rich mines of iron ore at the north could tell of the persistent prospecting and the enterprise in railway building that unlocked their wealth; if we could hear such voices from the past, we should be thrilled with the romantic narrative of Minnesota, and our hearts would be deeply stirred with sympathy for the hardships and persevering courage of its people, and with admiration for their achievements. Previous to the settlement of this area by white immigration, which may be said to have begun in 1849, when the Territory of Minnesota was organized, there were nearly two hundred years of gradually increasing knowledge of the geography of this state. During the first century, its explorers were French, chiefly led to this distant region for the profits of the fur trade. In the first half of the second century, after the British conquest of Canada, the explorers were English-speaking traders and travelers; and in its latter half, expeditions sent by the United States government to acquire information of the unsettled parts of the Northwest Territory and of the northern part of the Louisiana Purchase. The entire history to be here briefly sketched is thus divisible into...
