This title in PREP's Business Success Series is designed to help individuals who want to prepare paperwork related to starting, growing, selling, or marketing a business. The book contains real business plans for those contemplating entrepreneurship as well as for those who have an ongoing business which they are interested in selling. Readers will see samples of real business plans used by real organizations to sell a business to public companies. Readers will also see samples of documents, paperwork, and financial statements used by real companies to obtain equity financing and bank loans. Readers will see samples of real business plans used to obtain loans for business start-ups and other plans used to obtain growth financing. A valuable section of the book is the section which shows marketing tools and business resumes used to attract new customers and increase profitability. This will be a valuable resource to those who want to look at superior samples of business plans as well as marketing tools including sample business fact sheets and resumes and sales tools. Praise for other books in this series: Distinguished by its highly readable samples. - Library Journal Testimonials from those who have successfully used this book: It's hard to get a loan or grant or venture capital if you don't have an effective business plan. This book gives valuable how-to samples of business plans. I recommend this book to individuals who don't know where to begin in the process of obtaining financing or getting a grant. A. Costans, banker The business plan for my janitorial supplies business is based on a business plan in this book, and I used the plan as...
