By Gerald Ashley, Terry Lloyd

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, Two Speed World: The Impact of Explosive and Gradual Change - Its Effect on You and Everything Else, Gerald Ashley, Terry Lloyd, We live in a bewildering world of change, which splits naturally into steady progress punctuated by sudden disruptions - the two speed world. Steady progress ensures the survival of our species, but it is the disruptions that move us to a new level. Both types of change, slow and rapid, are important, because they mould and shape our lives, but because of their widely divergent characteristics it is sometimes difficult to recognise a major life-changer until it is too late. Even if we do spot the upheaval, we cannot deal with a change unless we understand it. Examining leading edge ideas and examples from history, this book gets to the heart of this dilemma. How do we recognise the type and importance of the changes that we face? What pitfalls must we avoid in order to keep to the correct path? What tools are available and when are they applicable? How can we avoid the temptation to redefine a change in order to make it fit our favourite tool?...
