Paperback. Book Condition: New. Not Signed; Welcome to the FAYZ! This is Book 1 in the series that Stephen King calls a 'driving, torrential narrative'. In the blink of an eye all the adults disappear in a small town in southern California and no one knows why. Cut off from the outside world, those that are left are trapped, and there's no help on the way. Sam Temple and his friends must do all they can to survive. Chaos rules the streets. Gangs begin to form. Sides are chosen - strong or weak. Cruel or humane. And then there are those who begin to develop powers. The GONE series is Lord of the Flies for the 21st century. It turns breathtaking, harrowing, and utterly terrifying. Its complex characters and moral dilemmas will delight fans of The Hunger Games, Divergent and The Maze Runner. This is dystopian fiction at its best. Have you got all 6 titles in the New York Times bestselling saga: Gone, Hunger, Lies, Plague, Fear, and Light? I am now free to leave the FAYZ, but my time there was well spent. (Stephen King). Michael Grant has lived an exciting, fast-paced life. He moved in with his wife Katherine Applegate after only 24 hours. He has co-authored over 160 books but promises that everything he writes is like nothing you've ever read before! If the Gone series has left you hungry for more from the dark genius of YA fiction, look out for the BZRK trilogy: BZRK, BZRK Reloaded, BZRK Apocalypse and the terrifying Messenger of Fear and its sequel The Tattooed Heart. book.
