BookBaby, United States, 2016. Hardback. Book Condition: New. Language: English . Brand New Book. Beethoven for kids, the adventures of Robelio and friends is an inspiring collection of humorous stories about the composer. The book highlights Beethoven's music and personality, leading his character closer to kids, young adults, parents, grandparents, educators and the public at large, using humor and social learning. Each of the thirteen stories correlates to a compact disk music recording-Beethoven for Kids-, matching tracks and a narrated audio music book -Spanish and English versions- sold separately. The stories are based on real life occurrences, anecdotes and legend. Some of his friends, Haydn and Mozart, are brought fourth. Written musical excerpts are highlighted by humorous images expressing mood of the pieces and images of Robelio; the narrator. There are beautiful artistic images depicting the short stories and the characters. Language, sound, image and expression meet synthetically. A unique perfect gift for kids, young adults, parents and grandparents and for the kid in you.
