### Reviews

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Drumbeater, Clive Allan, Clive Allan has drawn upon thirty years experience as a police officer and a profound knowledge of the Scottish Highlands in his crime thriller, The Drumbeater When skeletal remains are found buried on a beach near the remote Scottish village of Glendaig, the evidence points to murder, to a crime dating back seventy years to World War Two. The task of unravelling the mystery falls to history graduate Neil Strachan, now a career cop, fast tracked into a new role on Northern Scotlands Major Enquiry Unit. When Neil calls upon German naval historian, Matthias Fuchs, to help identify the remains, a name soon emerges, that of a dashing young U-boat ace who mysteriously disappeared in 1941: Korvettenkapitan Max Friedmann. Neil seeks the assistance of Glendaig's elderly residents, but encounters an impenetrable wall of silence, causing him to suspect that they know far more about the young submariner than they are willing to impart. With more questions than answers, and under mounting pressure from his cynical boss to wrap up the enquiry, Neil embarks on a race against time to discover the truth. He begins to unravel a tale of subterfuge, escape and astounding loyalty. A tale that will ultimately reveal a secret that could have changed the course of World War Two.
