In the picturesque village of Branscombe, New Hampshire, the townsfolk are preparing for the annual Festival of Joy. With preparations in full swing, a group of employees at the local market, recently cheated out of their Christmas bonus by their boss s new wife, learn that they have won \$180 million in the lottery. On the advice of a pair of crooks masquerading as financial advisers, one of their co-workers, Duncan, decided at the last minute not to play. He goes missing and the next day his girlfriend Flower also disappears. A second winning lottery ticket was purchased in the next town but the winner hasn t come forward. Could Duncan have secretly bought it? The Clarks endearing heroes - Alvirah Meehan, the amateur sleuth, and private investigator Regan Reilly - have arrived in Branscombe for the festival. Alvirah and Regan are just the people to find out what is amiss. As they dig beneath the surface, they find that life in Branscombe is not as tranquil as it appears. So much for an old-fashioned weekend in the country .

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
