## The Faker's Guide to the Classics: Everything You Need to Know about the Books Y

By Witte, Michelle.

Lyons Press. 1 Paperback(s), 2013. soft. Book Condition: New. From Anna Karenina to Beowulf, and from The Scarlet Letter to Waiting for Godot, reading the classics can be a time-consuming, bewildering, and potentially tedious experience. With that in mind, Michelle Witte provides brief and rather snarky synopses for 100 literary masterworks, as well as famous quotes from the book and her own barbed ripostes. Witte's creative send-ups give you all that you will need to bluff your way through a class or book club meeting, or to seem conversant with the works of Virginia Woolf while attending a highbrow party. You can spend the next two years reading Marcel Proust's Remembrance of Things Past, or you can devour this guide in an evening the choice is yours. 276.
