Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.There was a time, when I stood in as the pastor of a small house church, we had a good time, learning of the Lord, and learning of each other, but one thing that I knew, they were not going to pray for me, even though I had asked them to do so several times. The pastor that I served under then, was and still is a great teacher of the word of God, but I was two timing, on days that we didn t have service, I was at his church, and I purposely set the time of the meetings of our church, so that it would not interfere with the services at that church because, I was a minister there as well as the van driver, and the sexton. It was hard for me to leave Richmond, but at the same time, it was easy, because I knew that God had a greater plan in mind. This book on praying for pastors has been a mission within me for nearly twenty years, but until now, I have just inwardly and outwardly prayed for them. This book as you have noticed, is not direct prayers, but idea on what to pray for, and why, each pastor has a different role to take on as the Kingdom servant, and because it is a Kingdom assignment, we should be seeking the Kingdom mandates concerning our pastors. The Kingdom mandates are different from the mandates of the church, even though many have this misconception that they are the same, but they are not, so, as we pray for our pastors, we should also be in prayer for the Lord to...
