

The Little Book of Values: Educating Children to Become Thinking, Responsible and Caring Citizens (Hardback)

By Julie Duckworth

Crown House Publishing, United Kingdom, 2009. Hardback. Book Condition: New. 174 x 124 mm. Language: English . Brand New Book. The Independent Thinking Series brings together some of the most innovative practitioners working in education today under the guidance of Ian Gilbert, founder of Independent Thinking Limited. We live in a society consumed by materialism and the desire for more. Does this mean our next generation of children will grow up being literate and numerate greedy consumers whose lives are judged by the size of their houses and the latest model BMW on the drive? Or can our society along with the desire of educators teach our children the values they need to take responsibility for living and learning. It's simple; the children are our future, it's our moral duty in schools to provide a Values Based curriculum. The Little Book of Values explores twenty-two values that can be taught through schools and indeed the whole community. This book will inspire you by using examples of where values are already being used by children and adults in schools and share practical tools to stimulate discussion and philosophical debate. It will also help people to take stock of their...
