## Eminent Chemists of Our Time (Classic Reprint) (Paperback)

By Benjamin Harrow

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Eminent Chemists of Our Time We have several books dealing with the history of chemistry; there are a number of biographies of pioneer chemists; but, so far as I am aware - and this includes books in French and German as well as in English - the chemists of our time have been ignored completely. The Dickens and Thackerays of chemistry have received attention - not any too much, to be sure; but the moderns, the Anatole Frances and Wells, have received none. To fill such a want is the object of this work. How much these men and woman who are here treated are of our time may be gauged from the following: of the eleven whose lives and work are discussed, one died in 1897 (through suicide, be it added); three, in 1907; one, in 1911; one, in 1916; one, in 1919; and four are still alive. The question may very naturally be asked, why were just these eleven selected? To this I would answer, that, with the historical perspective in mind, I...

### Reviews

*I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dana Hintz**

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*
