CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 140 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Carmilla is a Gothic novella by Joseph Sheridan Le Fanu. First published in 1872, it tells the story of a young woman's susceptibility to the attentions of a female vampire named Carmilla. Also this story predates Bram Stoker's Dracula by 25 years, and has been adapted many times for cinema. It was first published in the magazine *The Dark Blue* in late 1871 and early 1872 and then in the author's collection of short stories *In a Glass Darkly* in the latter year. There were two illustrators for the story, the work of which appeared in the magazine but does not appear in modern printings of the book. The two illustrators, David Henry Friston and Michael Fitzgerald, show some inconsistencies in their depiction of the characters, and as a result some confusion has arisen in relating the pictures to the story's continuous plot. The story is presented by Le Fanu as part of the casebook of Dr. Hesselius, whose departures from medical orthodoxy rank him as the first occult doctor in literature. The story is narrated by Laura, one of the two main protagonists of the tale. Laura begins her tale by relating her childhood in a picturesque and solitary castle in the midst of an extensive forest in Styria, where she lives with her father, a wealthy English widower, retired from the Austrian Service. When she was six years old, Laura had a vision of a beautiful visitor in her bedchamber. She later claims to have been bitten on the chest, although no wounds are found on her. 12 years later, Laura and her father are admiring the sunset in front of the castle when her father...
