NEVER FLIRT WITH PUPPY KILLERS: AND OTHER BETTER BOOK TITLES (HARDBACK)

[DOWNLOAD PDF](#)

Andrews McMeel Publishing, United States, 2016. Hardback. Book Condition: New. 182 x 134 mm. Language: English . Brand New Book. From his wildly popular Tumblr page, Dan Wilbur offers his delightfully cruel summary of the books you were forced to read in high school-with all that resentment and angst loaded into a punchy re-title. Incisive, vindictive, and brutally funny, each page features a recognizable cover with the title renamed: To Kill a Mockingbird becomes My Dad Is Cooler than Your Dad; A Walk to Remember is reborn as Teen Sex Is Ok if One of Them Has Cancer. Perfect for parties, gift for fanatic book lovers, and casual bathroom reading. Classics (the books you ve lied about reading). Actual Classics (Greek and Latin books people don t even pretend to have read). Contemporary fiction (those books people talk about at parties that you ve definitely heard of but never bothered to pick up). Children s (books that say the most with the fewest number of words, i.e. The Best Books). reference (Those books that were around before Google). From children s literature, The Very Hungry Caterpillar gets the retitle Eat Until You Feel Pretty. An American classic, The Great Gatsby is switched to Drink Responsibly. And from contemporary fiction, Gone Girl is retitled A Tale of Two Shitty People. There s something here for every reader.
