Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.\*\*\*\*\*WARNING: Because of the abuse Luna endures and the demonic behavior of Lucifer s sons, Demon Slayor or any other book in the Saving Demons Series may be disturbing to some readers. If you are looking for a warm, fluffy read, Demon Slayer is not the book for you!\*\*\*\* I killed him. And the scariest part about it was that I liked it. Lucifer s son hurt Izzy. He hurt Roman. And he hurt me when he took from me the one thing I held most sacred in my soul, and imbedded a seed within me that will undoubtably bloom into the darkest, most evil era of my life. What Lucifer s son had done to me woke something far more frightening, far more dangerous than my warrior instincts. Grandmother Jade said that I would wake from my dreams a warrior, but she was wrong. I woke a demon slayer!.
