Her work began at the age of fourteen and has been chronologically documented by date keeping up with current events both personally and globally. This autobiographical collection was compiled into a self-published book covering the years of 1977-2003 entitled: A Part of Me For that Part of You. Now comes the following eight years during which swift changes have occurred for Ms. Louise personally and politically. This new title, Poetically Correct: Banned by The Free Press, was assumed, due to an encounter with a newspaper, after many years of publishing her work with them, in which they claimed that freedom of the press had only to do with. the freedom of publishers to pick and choose what they would and wouldn't print.
