

## Exultant (Paperback)

By Stephen Baxter

Random House USA Inc, United States, 2005. Paperback. Book Condition: New. Reprint. 173 x 99 mm. Language: English . Brand New Book. When it comes to cutting-edge science fiction, Stephen Baxter is in a league of his own. His mastery of hard science, his fearlessly speculative imagination, and his ability to combine grand philosophical questions with tales of rousing adventure make him essential reading for anyone concerned with the future of humankind. Now, in *Exultant*, Baxter takes us to a distant future of dazzling promise and deadly threat, in which a far-flung humanity battles for survival against an implacable alien foe. *Destiny's Children* *EXULTANT* For more than twenty thousand years, humans have been at war with the alien race of Xeelee. It is a war fought with armaments so advanced as to be godlike, a war in which time itself has become an ever-shifting battleground. At the cost of billions of lives, and with ruthless and relentless efficiency, the ruling Coalition has pushed the Xeelee back to the galactic core, where the supermassive black hole known as Chandra serves the Xeelee as both fortress and power source. There, along a front millions of light-years long, a grisly stalemate reigns,...
