Life Happens is written with the sufferer in mind, the one experiencing hardship. So many books are available on how to reach your destiny and how to become successful, but what happens when all your plans fail to materialize? What happens when: * your dreams are shattered? * your hope is wounded? * your faith is damaged? How do you continue and still stay focused on your future instead of being dominated by your current circumstances? Life Happens is written to fulfill this need and to help people live through the stormy periods in their lives. It is intended to offer comfort and support in the midst of adversity.
