"It's like having your own trainer!"

Filesize: 2.33 MB

Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.
(Mitchell Kuhn III)*

Createspace, United States, 2012. Paperback. Book Condition: New. 205 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. Prepping your horse for a first ride requires plenty of ground work. Here are your step-by-step instructions. This book provides simple and objective training for the unbroken horse, from first-time bridling and saddling to breaking out, bridle work from the ground, pre-mount work, and your (necessarily short) first ride. You'll learn the proven methods of John Lyons, tips to keep you safer, and tricks to save time. Today's the perfect day to get started putting a proper foundation on your horse, a solid start that will pay big dividends for the rest of his life. If you began your training in the round pen, this book outlines the next steps. If you haven't round-penned your horse, you can still begin with this book BUT round penning beforehand is highly recommended. We'll get you into the saddle for a first ride -- and finish up with a chapter designed to prep you the rider/trainer, for all future rides, demonstrating specifically how to use your reins for quicker, easier results with horses of all ages. A good ninety percent of the issues I see at a typical riding clinic could have been prevented if the rider knew a few simple rules about how to hold (and release!) those reins. Developing a good feel for when and how to pick up and drop those reins will make training easier at all stages of your horse's life -- especially when astride a young and nervous colt when clear communication is most paramount. Finally, pinned to the tail of this book, you'll find Cinchy Horses. Should you find yourself training a youngster who's especially goosey...
