College Admission is the ultimate user's manual and go-to guide for any student or family approaching the college application process. Featuring the wise counsel of more than 50 deans of admission, no other guide has such thorough, expert, compassionate, and professional advice. Let's be honest: applying to college can be stressful for students and parents. But here's the good news: you can get in. Robin Mamlet has been dean of admission at three of America's most selective colleges, and journalist and parent Christine VanDeVelde has been through the process first hand. With this book, you will feel like you have both a dean of admission and a parent who has been there at your side. Inside this book, you'll find clear, comprehensive, and expert answers to all your questions along the way to an acceptance letter: The role of extracurricular activities What it means to find a college that's the right fit What's more important: high grades or tough courses What role does testing play The best candidates for early admission When...
