## Five Lost Days (Paperback)

By William Petrick

Pearhouse Press, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Struggling documentary producer Michael Burns has traveled to the remote Maya Mountains of Belize to capture exclusive footage of the last surviving curandero. The traditional Mayan healer may hold the key to discovering new medicines among the vast, uncharted flora of the rain forest. But with a violent civil war spilling across the border from neighboring Guatemala, and Burns inexplicably drawn to the aging curandero's American apprentice, the filmmakers stumble into a more explosive story than they ever could have imagined. At once an adventure and an exploration into the nature of perception, *The Five Lost Days* exposes the clash between modern culture and ancient beliefs.
