Do you take the time to recap your life's journey? As you rewind back the tape (DVD) and pull sound bits and snippets from years gone by you recall and ponder the journey with a smile, a tear, a pause to meditate that snapshot so clear and vivid. You attempt to remember the details, the essence that embodied the memory the relationships that etched the memories so vividly in mind. You pause tilt your head slightly upward and slide back to fully capture what is now only a fleeting thought. What made it so special, how did it become and indelible imprint in your journey of life? Kindergarten Friend unfolds with delightful episodes of how a young man journeys though life with special and significant events that lead to inspiration, delight, disappointment, and intrigue. It will allow you to stop and reminisce about what it was like for you when you encountered your first friend(s) to those who stayed with you through adult hood and those who you wished you knew their life's path. It presses you imagination to recall those very special moments and times that define who and how you are today. Each phase of his development is filled with exciting and mysterious aspects of life. The author introduces a delightful and compassionate little boy whose story begins with his earliest years of life. Through careful and deliberate inserts of his yester-years his journey is illuminated through snippets of church, elementary, high school and college with the Hand of God guiding and maneuvering this boy into a man. But to enjoy and know this story you must...
