Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.Estamos viviendo momentos trascendentales, en la vida del planeta Tierra y sus habitantes. El hombre esta en plena evolucion. Esta al borde de una formidable mutacion que tal vez le de los poderes que los antiguos atribuian a los dioses. Algunos ejemplos de este hombre nuevo existen ya en el mundo, venidos posiblemente de otras fronteras del tiempo y del espacio. Dado que el hombre normal esta dotado, sin duda, de unos poderes que normalmente no utiliza, no tiene consciencia de sus propias aptitudes reales. Desde lejanas epocas el hombre no tiene un conocimiento de si mismo suficientemente desarrollado: no es capaz de comprender plenamente lo que es capaz de hacer, lo que su conciencia descubre en el universo, en los misterios de la naturaleza, sus fuerzas y sus poderes en armonia. Por eso, se podria admitir que en un plano mas elevado, mas desprovisto de limites religiosos o morales, otros seres, otras inteligencias hayan ido poco a poco, en una labor misteriosa y continua, influyendo sobre el, modificando su mente, esclareciendola, bajo esta influencia, la psique del ser humano se despeja, se amplia, admitiendo nuevos conceptos, arriesgandose a fantasticas o extranas ideas que le son dictadas por esas inteligencias extraterrestres. Somos realmente el legado de una sabiduria que se pierde en la noche de los tiempos? Somos victimas del juego de unas potencias anonimas, super-poderosas?.
